Corporate Policy 804: Executive Compensation & Severance

Department: Human Resources & Compensation Committee | Clearance: L3_CONFIDENTIAL

1. Executive Salary Bands & Bonus Multipliers

Band E1 (VP Engineering / Product): Base salary range $280,000 - $350,000 USD with a target performance bonus of 35% tied directly to enterprise ARR delivery and platform uptime SLAs (99.99%). Band E2 (SVP / C-Level Executives): Base salary range $380,000 - $520,000 USD with a performance multiplier of up to 60% based on EBITDA thresholds and Board consensus review.

2. Accelerated Vesting and Change of Control Terms

All executive equity grants operate on a standard 4-year schedule with a 1-year cliff. In the event of a qualifying Change of Control (M&A transaction exceeding $500M enterprise valuation) followed by termination without cause within 12 months (Double Trigger), 100% of unvested equity options and RSUs shall accelerate immediately. Severance for Band E1 comprises 6 months base salary plus health insurance continuation; Band E2 comprises 12 months base salary plus full vesting acceleration.
